

High Potency Synthetic Opioids (HPSO) Public Health Guidance and Medications for Opioid Use Disorder (MOUD) Training

Part One of the HPSO and the Intersection with Child Welfare Courts Series

Colleagues from the Department of Health (DOH) and the Health Care Authority (HCA) will share information about HPSO (e.g., illicitly manufactured fentanyl), the updated DOH guidance related to SB 6109, and an overview of medications for opioid use disorder.
